Mr. Hollister,

We are glad to have made your acquaintance on February 9, 2018 in Montreal. On behalf of the National Council of the Canadian Hellenic Congress, we express our thanks to you and the great AHEPA family for your strong position against the Turkish aggression towards Greece, the eastern Mediterranean and the broader region.

We are in complete agreement and we fully endorse your February 13th 2018 statement that ***"Turkey's provocations are alarming and a danger"***.

We strongly believe that our cooperation with the great and historic AHEPA organisation will be a significant step for the unification of Hellenism globally. You and your colleagues in Canada have opened a new era and we thank you again.

Sincerely Yours,

Dr. Theodore Halatsis

President
